**PET SHOP GIRLS**

Looking for the perfect Valentine's Day gift for your little girl? She'll flip for a pet of her own from Pawparazzi. These irresistible animals appropriate the modern paradigm of celebrity, taking it from sordid to smart. Complete with the requisite essentials like a trendy carrying bag, glitzy jewelry and fun fashions that every thoroughly modern gal can't resist, the pets are intended to be positive role models for Generation Next, aiming to alleviate the self-image pitfalls associated with other perfect, plastic playthings who shall remain nameless. Okay, postmodern mumbo jumbo aside, they're cute and your girl will love them.
