

Pawparazzi Pets

Pawparazzi Pets is the newest it toy for kids. Making a splash at the 2007 Toy Fair, these interactive dolls are the latest rage.

Each pet comes with their own interactive celebrity life. With individualized personalities, every toys adventures can be chronicled on the Pawparazzi website. Here kids can follow the escapades of their celebrity pet with the Pawparazzi Celebrity Weekly Tabloid. To further immerse your child in today's online culture, every toy owner can post pictures of their Pawparazzi Pet or even go to the message boards to interact with fellow owners.

As the Associated Press declares, interactive toys are the newest key factors for kids and Pawparazzi Pets is a shining example. Jump start your child's collection with pets such as Salsa, the Latina singing sensation, Bailey, the aristocratic stylish fashion model, and many others found at Nordstrom, FAO Schwartz and other boutiques across the country. Even celebrities are in on the fun as Dakota Fanning is a fan and collector of her very own Pawparazzi Pets.
